

Reiki WorldWide

Who is Reiki WorldWide?

Reiki WorldWide (RWW) is a worldwide foundation based in the Netherlands that aims to make Reiki available for people that need it, wherever in the world, mainly in areas of conflict and post-conflict.

What do we do?

RWW acts upon the request of communities, and works in partnership with community organizations and aid agencies. It provides Reiki treatment and Reiki training, enabling the local people to create sustainable Reiki programs to support themselves and others.

Where are we working?

RWW started in 2000 after the war in former Yugoslavia. During all the intervening years almost every month a team of 2-4 Reiki volunteers go to Tuzla and Srebrenica in Bosnia, to work with local organizations and to give Reiki to many people there.

In 2013/2014 RWW volunteers went to Northern Iraq/Kurdistan to the Syrian refugee camps to give Reiki treatments, and to provide Reiki training for both refugees and professionals working for local and international organizations.

What are our future plans?

We plan to increase the number of trips to Kurdistan over the next year, as well as respond to opportunities in other post conflict regions. We will continue the programmes in Bosnia. We also plan to provide Reiki for newly arrived refugees in the Netherlands, for example, Syrian refugees.

How can you help?

If you would like to support Reiki WorldWide and be a part of the "Helping the World Heal" community you can become a Reiki WorldWide member for an annual subscription fee. Or if you wish, you can make a financial donation to help support RWW projects. To donate or become a member please contact RWW directly.

Other ways you can help include sending Reiki when volunteers are working in the field, skill sharing, and volunteering.

Reiki WorldWide volunteers are self-funded with RWW taking care of training, pre and post mission support and support in the field.

All contributions are greatly valued and do make a real difference in the lives of those we help.☺

Do not hesitate to contact us via email, phone or Facebook. We would love to hear from you, Nicolette (NL) and Jenny (NZ).
